Water Rights
No. 446

Protested.....

APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to existing rights. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level. This well shall be equipped with a two (2) inch opening for measuring depth to water. If the well is flowing, a valve must be installed and maintained to prevent waste. A totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of water begins, or before the Proof of Completion of Work is filed. This source is located within an area designated by the State Engineer, pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

(CONTINUED ON PAGE 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....0.10.....cubic feet per second, but not to exceed 32.004 acre-feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before.....April 19, 1996

Proof of completion of work shall be filed before.....May 19, 1996

Application of water to beneficial use shall be filed on or before.....April 19, 1999

Proof of the application of water to beneficial use shall be filed on or before.....May 19, 1999

Map in support of proof of beneficial use shall be filed on or before.....May 19, 1999

Completion of work filed.....MAY 16 1997

Proof of beneficial use filed.....DEC 27 2000

Cultural map filed.....DEC 27 2000

Certificate No. 15737 Issued APR 16 2001

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.
State Engineer of Nevada, have hereunto set my hand and the seal of my

office, this.....19th.....day of.....April.....,

A.D. 1994

Michael Turnipseed
State Engineer

(PERMIT TERMS CONTINUED)

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 59184 and 59185 shall not exceed 32.004 acre-feet annually.

This permit is issued for the drain water of Harry's Spring.
